

Dora Triki

Associate Professor of International Business

ESCE International Business School

dora.triki@esce.fr

Summary

Dora Triki is an Associate Professor of International Business at ESCE Paris. She received a doctorate in 2013 in Management from University Jean Moulin Lyon 3 (France). She participated to the CEFAG program (a European Center for Advanced Training in Management that pioneered a high-level training program for French doctoral students) and was visiting scholar at King's College (London). Her main research interests concern the management and performance of International Joint Ventures and the impact of exogenous shocks on FDI in MENA countries.

Course Taught	Research Skills
Main Topics	How to find, understand and use sources for a literature review.

Research Interest

Management and Performance of International Joint Ventures (IJVs)

FDI in MENA region

Exogenous shocks: Terrorism, State Fragility, Arab Spring
